

LIVE THE DREAM OF A WONDERFUL CATAMARAN HOLIDAY WITH SAILING GEO

Geo is a new Lagoon 40 Catamaran, launched in May 2020, where you can spend your next dream vacation in total safety.

- **Sailing Geo organizes catamaran holidays in Tuscany, the Tuscan Archipelago, and Northern Corsica.**
- **We constantly maintain the catamaran to ensure a safe and peaceful holiday.**
- **Our suggested skippers are experienced and highly professional. To ensure safe navigation, they are supported by our team with real-time weather updates and safe route planning.**

GEO'S MISSION

Our vocation and mission are based on sharing and promoting respect for GEO, for MOTHER NATURE, RESPECT FOR NATURE, RESPECT FOR THE SEA, RESPECT FOR ANIMALS, RESPECT FOR PEOPLE, AND RESPECT FOR OUR BODIES.

Each year, we donate 2% of our revenue to **Italian associations** that protect **our land**, with a special focus on the **sea** and the **environment** around us. Currently, our donation goes to **Delfini del Ponente**. For more info: <https://delfinidelponente.it/>

Possible itineraries are decided together with the group based on weather conditions, and the number of weeks booked.

Duration: 1 or 2 weeks, from Saturday to Saturday, season from April to October.

Location: Tuscan Archipelago and Northern Tyrrhenian Sea (Corsica and Northern Sardinia) departing from Marina di Scarlino (Follonica).

With its 4 double cabins and matching private bathrooms, GEO welcomes a maximum of 6 guests. Three cabins and three bathrooms are reserved for the exclusive use of guests, ensuring ample space, privacy, and an unforgettable stay.

Technical equipment:

- External table and cockpit in teak/wood
- 900 Watt solar panels
- Complete safety equipment for over 50 miles
- Watermaker to ensure a constant water supply
- Double fridge for storing beverages and fresh food
- 600-liter water tanks
- Outdoor shower
- Each cabin has a private bathroom and shower with hot water
- 220V available 24H
- USB ports
- Coffee machine with compostable pods included
- 1 x SUP included
- 3m tender with 10 HP engine
- Basic set of fins and snorkeling masks
- Set of trolling fishing rods
- Fully equipped kitchen for a home-like experience

Boat features available at www.sailing-geo.com

GEO's outdoor areas are very spacious, featuring an elegant cockpit with a comfortable table. At the bow, there are sunbathing cushions and the classic nets typical of Lagoon models.

What we recommend participants bring on board:

Only the essentials: comfortable clothing, a windbreaker, raincoat, or k-way, a toiletry bag with basic necessities and biodegradable, non-chemical, and non-polluting products, sea-water shampoo for those who want to try this fantastic way of bathing, seasickness tablets (for those who fear they may suffer from it, though it is very unlikely due to the catamaran's stability).

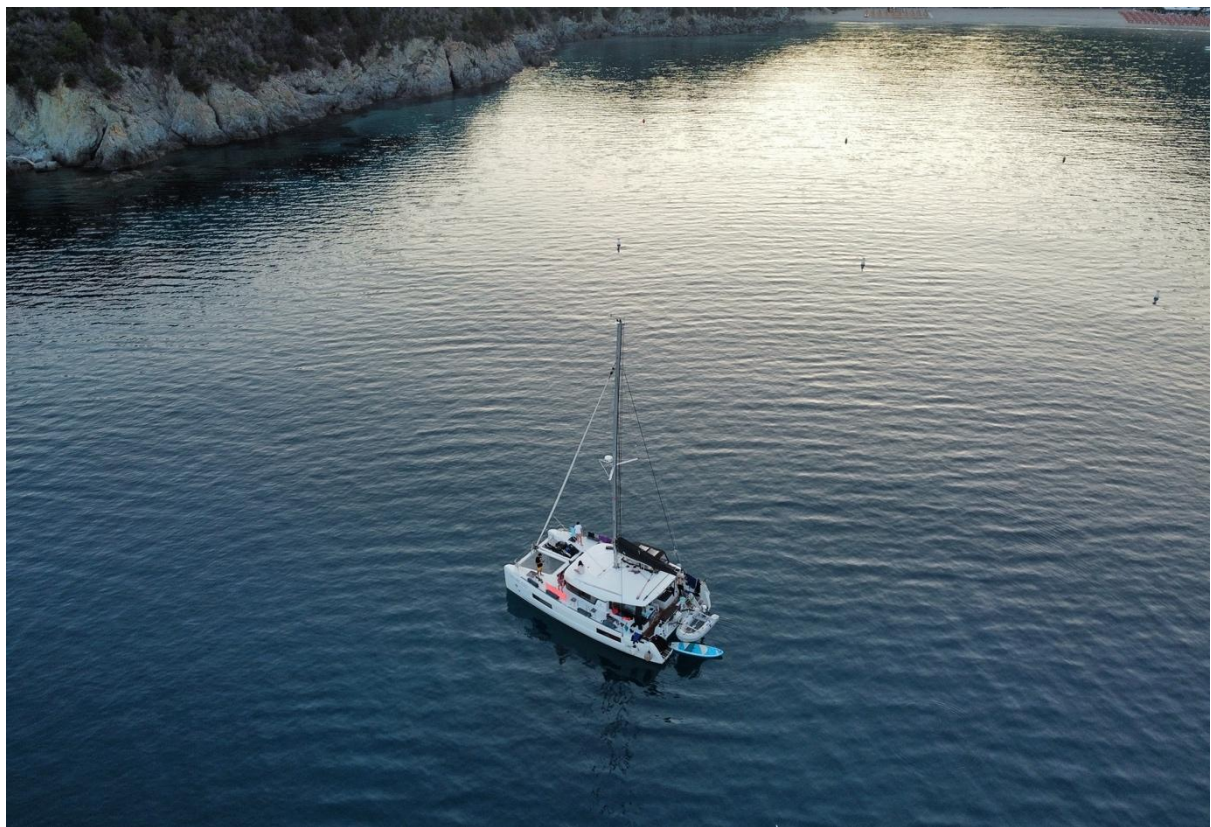

Additionally, bring:

- A pair of clean boat shoes or sneakers with white soles
- A pair of trekking sandals (e.g., Teva)
- Sunglasses with a strap
- A hat or cap for sun protection
- Swimwear and a beach towel
- Eco-friendly sunscreen (SPF 50+)
- A thermal bottle/water bottle
- A soft, foldable backpack or bag
- A valid ID document

Please pack everything in a soft bag – NO trolleys or hard suitcases.

Onboard, you may experience all four seasons in a single day, so keep this in mind when choosing your clothing.

We recommend preparing your luggage carefully and thoughtfully.

Choose Geo to live the dream aboard our catamaran.
